

Rookery Bay Reserve- Isle of Capri Kayak Trip - Afternoon

Date: **Saturday**, January 14, 2012

Focus: **Specialty/Kayaking** – This field trip will focus on the activity, incorporating education on the wildlife, habitat and ecology of the area visited and is NOT primarily a birding field trip.

Field Trip Description: Paddle along pristine mangrove creeks and bays to meet some amazing estuarine inhabitants. Watch ospreys dive for their meals, mangrove tree crabs scurry about, or maybe even catch a glimpse of a manatee or dolphin. We'll leave from the newly completed Isle of Capri Paddle Park which is exclusively for use by non-motorized water craft. Kayaks, paddles, and life vests provided. Basic paddling/canoeing experience required.

Maximum Group Size: 10

Time Begin: 1:00 pm

Time End: 3:00 pm

Where to Meet: Meet by **12:45 pm** at the **Isle of Capri Paddle Park**.

Directions to Meeting Place:

Trip Leader: Rookery Bay Education Naturalist

Field Trip Cost: \$50

Parking: A gravel parking area is located at the launch site.

Additional Information: There are **NO** restroom facilities at launch site. Participants must be 12 years of age or older and under 250 lbs.

What to Bring: A **waterproof** gear bag if you have one. Water, snacks, a hat, sunglasses and sunscreen. Cameras and binoculars can be helpful, but please **don't bring anything that can't get wet.**

What to Wear: Comfortable clothing appropriate for the weather. It is likely to be cooler on the water than on land and wearing layers is a good strategy for changing temperatures. If you are susceptible to the sun, a long sleeved shirt, long pants and a hat are advised. Wear **close-toed shoes** (old tennis shoes work well) that you don't mind getting wet and bring along an extra pair of dry shoes and socks for the trip home.
