

en**VISIONING**
the FUTURE of COASTAL MANAGEMENT

Rookery Bay National Estuarine Research Reserve
300 Tower Road, Naples, Florida
Friday, June 22, 2007

Agenda

- 8:00** **Light Breakfast and Registration**
Oceans Film by David Guggenheim
- 8:30** **Overview and Introductions**
Objective: Overview of the agenda and introduction to Rookery Bay.
Gary Lytton, Director, Rookery Bay National Estuarine Research Reserve
- 8:40** **Welcoming Remarks**
Objective: Welcome participants to the Envisioning Project.
Stephanie Bailenson, Director, Coastal and Aquatic Managed Areas, Florida Department of Environmental Protection
- 8:50** **Introduction to *Envisioning the Future of Coastal Management* Project**
Objective: Understand the Coastal States Organization and NOAA Envisioning Project, background on the Coastal Zone Management Act and how this law shapes coastal management, and in-depth understanding of the purpose of the workshop and how participants input will inform future federal and state actions and legislation.
Kacky Andrews, Executive Director, Coastal States Organization
Lynn Griffin, Administrator, Florida Coastal Management Program, Florida Department of Environmental Protection
- 9:10** **Orientation to the Breakout Groups**
Objective: Understand the structure for the breakout groups including the issues to be discussed, based on participant input at registration, and introduce the facilitators.
Heidi Recksiek, Facilitator, NOAA Coastal Service Center
- 9:30** **Break**
- 9:45** **Developing Innovative Ideas for Addressing the Issues**
Objective: Generate and record participants' ideas, solutions, and best thinking for improving coastal management. This will be accomplished in smaller facilitated groups. Group discussions include:
1. Review and discuss the major obstacles to effective coastal management
 2. Generate innovative ideas and solutions
 3. Vote and rank solutions to discuss in detail
 4. Discussion of solution #1
 5. Discussion of solution #2
- 11:45** **Lunch (Provided)**

- 12:45** **Developing Innovative Ideas (continued)**
Small facilitated break out sessions continue.
- 2:45** **Break**
- 3:00** **Report Out and Large Group Discussion**
Objective: Participants hear the most innovative ideas from each group.
Heidi Recksiek, Facilitator, NOAA Coastal Service Center
- 3:20** **Wrap Up and Adjourn**
Kacky Andrews, Executive Director, Coastal States Organization
Stephanie Bailenson, Director, Coastal and Aquatic Managed Areas, Florida Department of Environmental Protection
Lynn Griffin, Administrator, Florida Coastal Management Program, Florida Department of Environmental Protection
- 3:30** **Departure**
